Dear Peter,

Thanks for the explanation and your good wishes.

I have been fortunate in being able to be as productive as I have been.

And in lasting long enough to do what I've done.

I'm grateful, too.

I'm ever so much weaker, have difficulty not falling yet I am still able to work.

And will as long as I can.

I hope all of you have a good holiday season and a good year.

Please remember me to Raphaela, too.

You were both thoughtful and helpul and I appreciate it.

Best wishes,

Leo
